# Export B/L LIST

- You can see the outbound B/L list by clicking the Outbound on the top menu.
- If you click the Excel button at the top of the list, you can download the B/L list shown in the current screen as an Excel file.
- Click the B/L number to go to the detail screen. (See B/L details and Cargo Tracking screen)

The screenshot shows the 'Outbound' menu selected in the top navigation bar. Below the navigation bar, there are tabs for 'Outbound List', 'Unprocessed List', and 'Request List'. The 'Outbound List' is active, displaying a table of shipping data. The table includes columns for Booking No., B/L Stat, B/L Issue, CNTR, Act Shipper, VSL/VYG, Departure ETD, Arrival ETA, Docu.Cut, Docu Cut, Invoice, Certi Issue, and Pick. The table lists several entries for HEUNG-A YOUNG and KMTC SINGAPORE. At the top of the table, there are search filters for Departure Date, Input Date, B/K No., Ref No., and View My B/K only. There is also a search bar and a search button. Below the table, there is a pagination bar showing 'Showing 1 to 8 of 210 entries' and a 'Previous' button. At the bottom, there is a 'Document Printing' section with links for Booking, Line Certi, Check B/L, Copy B/L, Freetime, Delay, VSL Change, Invoice, and Tax.

# Import B/L LIST

- Click the Inbound on the top menu to display the inbound B/L list.
- If you click the Excel button at the top of the list, you can download the B/L list shown in the current screen as an Excel file.
- Click the B/L number to go to the detail screen. (See B/L details and Cargo Tracking screen)

The screenshot shows the 'E-SERVICE' portal with the 'Inbound' menu highlighted. The 'Inbound List' tab is active, displaying a table of shipping entries. The table includes columns for B/L No., B/L Issue, CNTR, Consignee, VSL/VYG, Departure ETD, Arrival ETA, Berth Terminal, Management Cargo, Closing PIC, A/N, M/F, EDI, and Invoice. The first eight rows of data are visible, all for 'NAGOYA TRADER 2445E' arriving at 'Pyongtaek' on '2025-01-02'. The interface also features search filters for ETA, Input Date, and B/L No., along with a search button. At the bottom, there are links for 'D/O', 'Container', 'TaxBill', and 'Document Printing'.
